TO **Mrs Buster Chaplin**
FROM **Stuntman Harley Crasher Extraordinaire , Dressing-Room of**

Mrs Chaplin , I hope you don't think I'm a coward . Just yesterday I climbed inside a gator's mouth but I ain't got the guts to tell you in person that you is the prettiest thing I ever saw .

Mrs Chaplin , may I have the honor of taking you on a tour of the set after the movie wraps tomorro? I know Mr Chaplin is too big and famous to show you round , but I sure ain't .
