Regarding: Rights to Buster Chaplin Films

Dear Mr. Kommission,

I confirm receipt of the mighty check you mailed. We'll get that baby cashed!

All rights to all films starring Buster Chaplin are signed over to you. God strike me blue for sayin this, but it's half a shame the old coot ain't belly up – it'd all be worth a helluva lot more!

I gotta remind ya that Chaplin's Agreement is still in place so none of y'all can discuss any behind the scenes activities with anyone.

Keep smiling pal.

H.
